

President's Report
2013 Annual General Meeting
Shenton College P & C Association

Welcome to the 2013 Annual General Meeting of the Shenton College P & C.

2012 has been another successful year for Shenton College under the guidance of Michael Morgan. Outstanding results have been achieved, not only in the awards of excellence for its most academically talented students, but in the high percentage of students graduating and continuing a pathway of education beyond secondary school. It has again lived up to its motto - Much More Than Marks – Learning for Life. Each student has had the opportunity to thrive in the learning environment that Shenton provides.

As parents, we have had the opportunity to share in individual and team successes through our regular P & C updates and through the increased postings of information via the college website.

The P & C provides a forum to promote the interests of the school through consultation with parents and the wider community and assisting in the provision of resources. During the 2012 year the P & C provided funding for educational resources as required by the school; travel assistance for students representing Shenton College in state, national and international events; financial support of the uniform shop and of the chaplaincy service, which provides an invaluable service of support to the students and staff.

As the school moves forward into 2013 and beyond, and undertakes preparations for the intake of year 7s in 2015, the P & C has the opportunity to review the nature of its support of the school, to evolve and consider how it may best support the school and its students in the changing times ahead.

I would like to take this opportunity to thank Michael and all of the P & C for their time and support throughout the year and in particular to thank our retiring Secretary, Cheryl and Treasurer, Jan for their many years of service. Their efficiency will be missed. I would also like to thank Shelley for her tireless efforts with the Auditorium for Shenton project, which she has undertaken with great passion and determination.

I urge anyone who has an interest in their child's educational surroundings to come along to the P & C meetings, which are held in weeks 3 and 8 in terms 1 and 4 and week 8 of terms 2 and 3. All positions will be open for election tonight.

Thank you

Jo-Anne Bain
